THE KINGDOM OF JORDAN

Discover the history and beauty of this desert kingdom

8 DAYS - STARTING AMAN 3rd FEBRUARY 2020

THE KINGDOM OF JORDAN

Trip Outline

Jordan has fascinated visitors for centuries with its stunning desert landscapes, a plethora of ancient towns and amazing World Heritage sites. It is comfortable, safe and welcoming and is one of the region's most rewarding destinations. The local culture of hospitality stems from the country's deep roots in its Bedouin history. Although modern day Jordan is a relatively new country compared to its larger neighbours the region has been traversed by camel caravans and Nabataean traders plying the legendary King's Highway for centuries whilst Roman legions, Muslim armies and the Crusaders have all swept through this ancient land on their journeys of conquest. Although largely desert, Jordan has lush farming lands, dramatic mountains and beautiful beaches. Crusader castles and ancient churches dot the countryside and there are the enduring sites of Wadi Rum, the Dead Sea and the jewel in the crown of the country's many antiquities, wonderful Petra, the ancient Nabataean city carved into the pink sandstone cliffs in Jordan's southwestern desert.

Our journey begins in Amman the Jordanian capital from where we travel north to the ancient city of Jerash. The city has been the site of an unbroken chain of human occupation dating back more than 6500 years having reached its golden age under Roman rule. Even today the greco-roman ruins are an impressive site. Later we descend to the Dead Sea, whose salt enriched waters are known for their healing properties. Turning southward we travel on to Aqaba which fronts the warm waters of the Red Sea and there's time here to swim before the short drive to magnificent Wadi Rum, one of the most spectacular desert valleys in the Middle East. We spend the night in a luxurious bedouin style encampment, climb sand dunes, and enjoy a camel ride at sunset.

Leaving the desert valley behind us we head to the ancient Nabataean site of Petra, one of the most celebrated sites in the region. The view of the ancient Treasury building as you enter through the narrow gap in the Siq canyon is breath taking. Enroute back to Amman we visit the imposing 12th Century Shobak Crusader castle and take a stroll through the ancient villages of Dana and Madaba.

2020 ITINERARY - STARTS IN AMMAN

MON 3 FEB: AMMAN – Upon arrival at the Amman International Airport you will be met and transferred to your hotel in the city. The balance of the day is at your leisure and we will plan to hold a short meeting in the evening before going out for dinner.

TUE 4 FEB: AMMAN-JERASH-DEAD SEA-AMMAN – Following breakfast this morning we will drive to the ruins of Jerash located just over an hour away. These imposing Greco-Roman ruins were once home to approximately 35000 inhabitants and the area abounds with the remains of temples, churches, an amphitheatre, ancient water systems and detailed friezes and mosaics. The site has been occupied continuously for 6500 years. Later in the morning we drive to the Dead Sea. This is the deepest, non submerged point on earth and it's a unique sensation to float in the Sea's extremely salty waters. We enjoy lunch here before returning to Amman for the evening. (B, L)

WED 5 FEB: AMMAN-AQABA – This morning we enjoy a walk downtown to visit the Jordan Museum followed by Darat al Funun, a foundation for the arts and artists from the Arab world. Jordan is a small country and its only a 5 hour drive south to the port of Aqaba located at the top of the Red Sea and next to the Israeli city of Eilat. We will visit the historical Aqaba Fort, once the scene of a great Arab victory in 1916 over the Turks when the stronghold fell to a daring Arab camel charge. Later we have time to swim and relax and to get ready for our desert adventure. (B)

THU 6 FEB: AQABA-WADI RUM Just over an hour away from Aqaba, Wadi Rum is one of the most spectacular natural environments in the Middle East. The wadi itself is one of a sequence of parallel faults forming valleys in the sandy desert south of the Shara mountains. The desert scenery found at Wadi Rum is a major highlight of our tour and our overnight stay in a comfortable Bedouin style camp only adds to the specialness of the experience. Today we will enjoy a jeep ride through the wadi and at sunset we will take a camel ride through the desert. This is Lawrence of Arabia country. (B, D)

FRI 7 FEB: WADI RUM-PETRA – Arising early we take our breakfast and set out with our Bedouin guide to visit the sand dunes. After preparing a Bedouin tea for us our guide then takes us to meet our 4WD team who transfer us to the Wadi Rum Visitors Center from where we rejoin our vehicle for the drive to Petra. On arrival in Petra we check into our hotel and the rest of the afternoon and the evening is free at our leisure. (B)

SAT 8 FEB: PETRA – Following breakfast the gates of the past open up to one of the world's most famous wonders; the ancient city of Petra. Experience the magic of this ancient site as you are guided through the architectural and spiritual wonders of the Rose City. Entering through the long, narrow canyon you come face to face with the magnificent Treasury building which has come to symbolise the city. Like the other buildings at Petra it has been carved from the pink-struen rock. The site has been designated as a UNESCO World Heritage Site and was described as "one of the most precious cultural properties of man's cultural heritage". Following our visit to the site there is time for your own discoveries or you can decide to return to the hotel to relax, or to wander the shops and bazaar of the town. (B)

SUN 9 FEB: PETRA-SHOBAK-DANA-MADABA-AMMAN – Our drive back to Amman today is packed with interesting sites. First stop is the 12th Century Shoback Crusader Castle. Perched atop a rocky conical mountain it is an imposing site. Following on from Shobak we explore with a guide the village of Dana, a picturesque cluster of stone cottages huddled together on a cliffside outcrop. Abandoned in the middle of the last century the village is being restored and revitalised as part of a hub for sustainable, eco tourism. Further on is the market town of Madaba. Located only 30km southwest of Amman the town is famous for its Byzantina mosaics found in the churches and museums of the town. Of particular interest is the 6th Century mosaic map of the Holy Land. The mosaic at the Church of the Apostles should not be missed and the town itself is definately worth a wander along its narrow streets with its fine Ottoman stone houses. We arrive back in Amman in the late afternoon and check into our hotel for our last night of the tour. (B)

MON 10 FEB: END AMMAN – Our tour to the Hashemite Kingdom of Jordan comes to an end today after breakfast. Additional accommodation is available for those who would like to stay on in Amman. (B)

***** This trip combines perfectly with our 13 Day tour of Egypt. See the Byroads website for details of our 20 Days 'Jordan and Egypt' tour commencing in Amman on 3rd of February.**
